

MODEL N°
HOURLASS CONSOLE TABLE

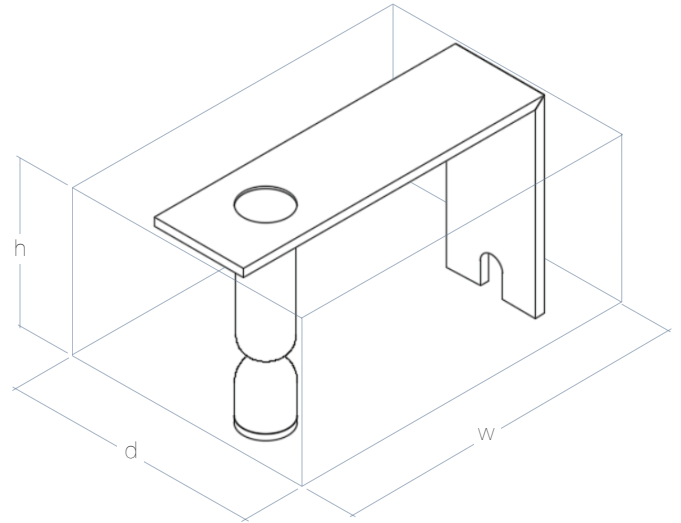

HOURLASS CONSOLE TABLE

MODEL N°

Hourglass Console Table has no apologies. With an unavoidable 3D printed hourglass pillar to match hardwood that is hand-finished into a surface nothing short of velvet, it seems to demand an elevated space shared only with friends of similar ilk. Some things are just kind of like this. And like all of our mixed material objects, we build Hourglass only with premium FSC® certified or salvaged hardwood and series of plant-based resin colors. We also spec Hourglass with embedded charging technology.

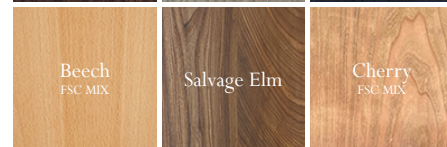

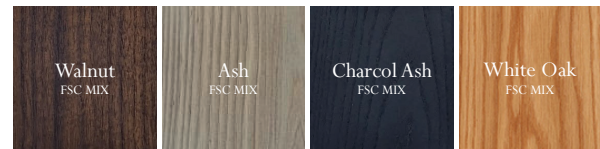

dimensions

width	54"
height	34"
depth	16"

materials

wood species	Walnut, Ash, Charcol Ash, White Oak, Beech, Salvage Elm, Cherry
PLA	Black, White, Woodprint, Desert Clay, Seaglass, Fern

care

Our hardwood surfaces are finished with an environmentally friendly, plant based, hard wax oil wood finish that has 0% VOC and does not contain any water or solvents. It is protective and durable. Wipe with a damp cloth and gentle cleanser. Avoid water marks by quickly wiping up any standing liquids on the chair. Never use harsh cleaning sprays or abrasives on your wood surfaces. Clean any sticky spots gently with soap or mild detergent and water. Due to natural variations in wood, grain and color can differ from piece to piece.

sustainability

From FSC® certified hardwoods, to plant-based polymers, to GOLS-certified latex, we examine every product for sustainability, quality, and performance. We strive to source our materials locally. Additive manufacturing processes like 3D printing let us produce each piece to order. Limiting inventory minimizes our carbon footprint and also maximizes our product quality. Only the products identified as such in this document are FSC®-certified. FSC® C125400/SCS-COC-007184

customization

With the use of our advanced manufacturing processes, our customers have the freedom to customize their order. From sizing, material choice, fabric color and finish, we can truly design your living space to the customers ideal vision. There is no minimum order quantity as we are aiming to reach a diverse range of customers, from big companies to small homes.
