COSMO CONSOLE TABLE

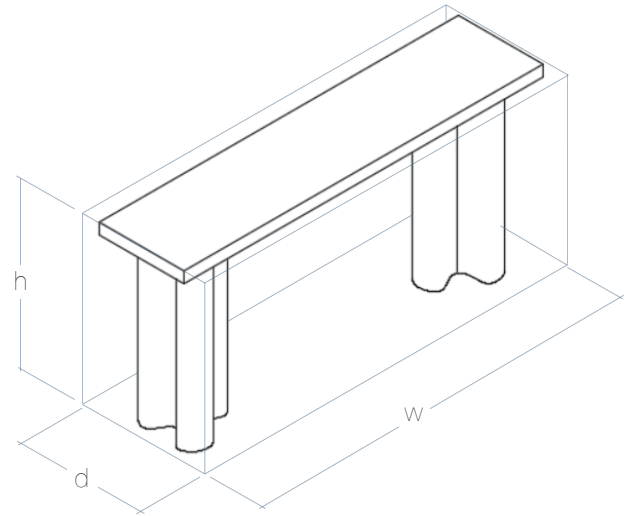

COSMO CONSOLE TABLE

MODEL N°

A sublime statement, Cosmo Console Table gets your attention but plays well in a range of placements from office studio and lobby to a living space or hallway. Featuring a sturdy hardwood top built on a proportional base, we fabricate the top from the highest quality FSC® certified and locally salvaged hardwoods and hand-finish to our exacting standard. The Cosmo Console's base is 3D printed from plant-based resin that is 100% recyclable and biodegradable in its after life. You can spec Cosmo with embedded charging technology along with multiple sustainably sourced hardwoods for the top and bioresin colors for the base.

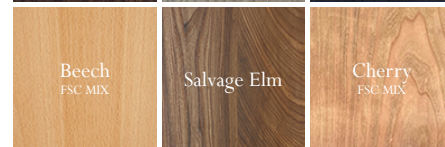

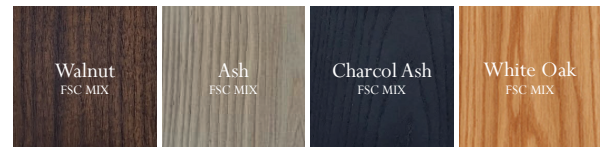

dimensions

width	65.5"
height	32"
depth	15.5"

materials

wood species	Walnut, Ash, Charcol Ash, White Oak, Beech, Salvage Elm, Cherry
PLA	Black, White, Woodprint, Desert Clay, Seaglass, Fern

care

Our hardwood surfaces are finished with an environmentally friendly, plant based, hard wax oil wood finish that has 0% VOC and does not contain any water or solvents. It is protective and durable. Wipe with a damp cloth and gentle cleanser. Avoid water marks by quickly wiping up any standing liquids on the chair. Never use harsh cleaning sprays or abrasives on your wood surfaces. Clean any sticky spots gently with soap or mild detergent and water. Due to natural variations in wood, grain and color can differ from piece to piece.

sustainability

From FSC® certified (FSC-C125400) hardwoods, to plant-based polymers, to GOLS-certified latex, we examine every product for sustainability, quality, and performance. We strive to source our materials locally. Additive manufacturing processes like 3D printing let us produce each piece to order. Limiting inventory minimizes our carbon footprint and also maximizes our product quality.

customization

With the use of our advanced manufacturing processes, our customers have the freedom to customize their order. From sizing, material choice, fabric color and finish, we can truly design your living space to the customers ideal vision. There is no minimum order quantity as we are aiming to reach a diverse range of customers, from big companies to small homes.
